

# Interview Preparation

## Think about location and interview type

Face-to-face: think about travel, what you are wearing

Video: quiet tidy space with good internet connection

## Research the job, industry and company

Go through the job description and learn about the company, it's background and motto which shows more interest in the job you are applying for

## Think about location and interview type

Face-to-face: think about travel, what you are wearing

Video: quiet tidy space with good internet connection

## Consider questions YOU want to ask THEM

Think of questions you want to ask the interviewer, this is also a chance for you to get to know them, the job, the company and medical accommodations

## Discuss skills and clarify why you want the job

Clarify your 'selling points', your skills and why you want the job. Demonstrate how YOU are the best candidate for the job you are applying for
